Summer at Open House

Friends and fun!

Open House Summer Program is a warm and nurturing place for young children aged 3 to 5.

Our experienced educators lead campers in an array of activities designed to delight, challenge, and encourage the growth of new friendships.

Programs

Days at Open House are filled with fun! Packed with structured and unstructured activities tailored to young children's development, typical days include a combination of several of the following:

- Arts & Crafts
- Music
- Choice Time
- Dramatic Play
- Science
- Stories
- Free Play
- Active Outdoor Play
- Cooking
- Water Play
- Movement & Yoga

Children ages 4 and up enjoy one or two field trips per session. Previous trips have included local attractions such as the Prospect Park Zoo, Puppetworks, The Brooklyn Children's Museum, the New York Hall of Science, and the Staten Island Children's Museum. Younger children (3's) enjoy walking trips to local attractions such as The NY Transit Museum, The Painted Pot, and the public library.

Full-day (to 3) and extended-day (to 6) children have a rest before either heading to our rooftop playground for more fun or participating in indoor afternoon programs.

Uniquely Flexible Hours

Open House offers uniquely flexible program options.

Families may choose between a three-day (Tuesday-Wednesday-Thursday) or five-day week. Day length can be morning only (9-1), full-day (9-3), or extended-day (8-6). Extra hours can be purchased as needed.

Program Details

Session 1: June 19-30

Come Join the Circus

Calling all clowns, ringmasters, and lion tamers!

We'll explore all the fun that is the circus. We'll try out new skills, dress up in fancy costumes, and paint our faces.

Session 2: July 5-7 (3 days only)

Cool Fun in the Hot City

It's never too hot to have a cool time in Brooklyn!

We'll mix up lemonade and ice cream and make gorgeous paper fans to keep the breezes blowing. Then we'll remember colder times by writing and illustrating our memories of winter snow.

Session 3: July 10-21

Mermaids, Monsters & Magical Creatures

Let's travel to fairyland — and back!

Through story reading, dramatic play, dress-up, cooking, and arts & crafts, we'll explore dragons, fairies, and witches of every nationality. We'll invent our very own magical creatures, too.

Session 4: July 24-August 4

The Secret World of Insects

Who's that buzzing, wriggling, and zipping all around?

Let's get our magnifying glasses and take a closer look at the bees and the beetles, the worms and the butterflies. Let's build a beautiful terrarium to make a temporary home for our insect friends.

Program

The Summer Program is open to all children aged 3 to 5.

First timers will receive special attention from our staff, providing a gentle introduction to the independent group experience.

Environment

Open House Nursery School's facility was expressly designed for young children and is perfect for summer comfort.

Inside is a fully air-conditioned facility, and outside is an onsite, age-appropriate playground. Children delight in water play or riding tricycles and scooters. Playhouses provide an opportunity to take a break in the shade and enjoy some pretend play.

Philosophy

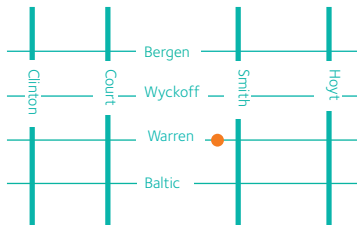

Open House carefully supports the whole child's developmental growth in an informal and relaxed environment.

Cooperation skills, along with an appreciation of individual differences, are central goals of our curriculum. We strive to build strong and open communication among parents, teachers and children.

Location

Open House is conveniently located near F/G Bergen Street stop in Cobble Hill at:

318A Warren Street
between Court &
Smith Streets
